COMPANY WELDER TEST AUTHORIZATION

Test Date: _____ Company Code _____

Company Name: _____

Company Contact: _____ Ph: _____

Authorization to Retest if required: YES _____ NO _____

<i>Welders Name & Middle Initial</i>	Type	Class	1GF	2G	3GF	4GF	Process

Type of Test: I - *Initial*, U - *Upgrade*, C - *Check Test*
 Retesting: RI - *Retest of Initial*, RU - *Retest of Upgrade*, RC - *Retest of Check Test*
 Class: F - *Flat*, H - *Horizontal*, V - *Vertical*, O - *Overhead*
 Process: SMAW, FCAW, GMAW

OUR MISSION: To make every test day a “*Positive Experience*”

We strongly suggest welders renew their qualifications up to 90 days before the expiry date on the welder card. This additional time will be added to the new card. If retesting is done 91 days after the expiry date check testing will no longer apply and all positions will require retesting.
